Natural Magic™ Serum

Natural Magic™ Cream

Key Customer:

- Individuals who want to target early signs of ageing or want to maintain youthful, radiant skin. Natural Magic™ delivers results through gentle yet effective skin renewal.

Tip: If your primary concern is ageing—think fine lines, loss of elasticity, and dullness—then the Natural Magic™ range may be your best match. Natural Magic range is designed to help lift and tone the skin's appearance

Natural Magic™ Eye Cream

This eye cream minimises the appearance of fine lines and crow's feet. It gives a lifting effect and leaves the skin feeling firmer. The silky, soft and creamy texture delivers essential moisture to your skin.

Key Selling Points:

- Hydrates, protects, and supports skin regeneration for a firmer, smoother look
- Reduces the appearance of wrinkles, dark spots, and redness
- Lightweight, non-greasy texture that absorbs quickly
- Promotes firmer, more youthful-looking skin

EFFECT | Moisturizes the skin, reduces visible signs of aging. Leaves the skin rested, re-energized and nourished

BENEFITS | Suitable for both day and night use

Key Ingredients:

- **Astaxanthin** – Powerful antioxidant that targets fine lines, wrinkles, and dark spots for visibly younger-looking skin
- **Hydrolyzed Hyaluronic Acid** – Multi-molecular formula that delivers deep, long-lasting hydration
- **Sea Buckthorn** – Rich in vitamin C and essential fatty acids to protect, nourish, and prevent signs of ageing
- **Pomegranate Extract** – Hydrates, smooths, and helps balance sebum for clearer, more radiant skin

Application

Apply morning and evening to the skin around the eyes
Ideal for use in combination with other products from the Natural Magic™ range.
