

Pigment Clear™ Range

Complete Skincare range that helps dark spot correction, evens skin tone and texture

Pigment Clear™ Serum

Pigment Clear™ Cream

Pigment Clear™ Hand Cream

Key Customer:

- Individuals experiencing hyperpigmentation such as age spots, sun spots, existing sun damage on skin caused by UV exposure.
- If your biggest skin concern is uneven tone or pigmentation, Pigment Clear™ offers a targeted solution with ingredients that calm, clarify, and brighten without irritation.

Pigment Clear™ Serum

A brightening serum that helps diminish pigment spots, fade skin irregularities, even out skin tone, moisturizes the skin and tightens pores.

Key Selling Points

- Anti-inflammatory and soothing – helps reduce signs of premature ageing
- Absorbs sweat and oil for a natural matte finish
- Visibly reduces dark spots, redness, and uneven skin tone
- Minimises the appearance of pores and improves skin clarity
- Enhances overall skin texture and glow for a fresh, dewy look

EFFECT | Helps diminish pigment spots

BENEFITS | Evens out and brightens the skin

Key Ingredients:

- **Astaxanthin** – Targets fine lines, wrinkles, and dark spots for visibly younger-looking skin
- **Hydrolyzed Hyaluronic Acid** – Deep hydration across multiple skin layers for a plumper, smoother look
- **Indian Gooseberry** – Potent antioxidant that detoxifies, brightens, and slows signs of ageing
- **Licorice Root** – Brightens pigmentation and soothes inflammation for clearer, more even-toned skin

Application

Apply morning and night to cleansed skin. Massage in using circular motions until absorbed, then follow with Pigment Clear™ Cream.

Tip: Serums absorb quickly and deliver actives deep into the skin. For best results, follow with a cream to lock in hydration and protect the skin barrier.

✓ Gluten Free ✓ Vegan ✓ Dairy Free

Pigment Clear™ Cream

This brightening cream helps with dark spot correction, even skin tone and texture, leaving the skin feeling moisturised, supple and soft.

Key Selling Points

- Minimises pores and balances oil for a matte finish
- Restores radiance and essential skin lipids
- Improves tone, texture, and skin clarity for a dewy glow
- Hydrates and enhances elasticity
- Slows visible signs of ageing

Key Ingredients:

- **Indian Gooseberry** – Potent antioxidant that purifies, smooths, and brightens the skin
- **Licorice Root** – Brightens pigmentation and soothes inflammation
- **Clover Extract** – Minimises pores by reducing sebum production
- **Pomegranate** – Hydrates and helps balance oil levels

EFFECT | Skin-smoothing and brightening cream

BENEFITS | Skin appears brighter and more even-toned

Application

Apply morning and evening to face and neck, after using Pigment Clear™ Serum.

Tip: Apply products from thinnest to thickest (serum → moisturiser → SPF), and introduce new actives gradually to avoid irritation.

✓ Gluten Free ✓ Vegan ✓ Dairy Free

Pigment Clear™ Hand Cream

The Pigment Clear™ Hand Cream is a velvety, non-greasy, quick-absorbing hand cream which helps with dark spot correction while moisturizing and nourishing the skin.

Key Selling Points

- Instantly nourishes the skin and leaves it moisturised
- Targets dark spots to visibly reduce their size and colour
- Leaves a soft matte finish on the skin

Key Ingredients:

- **Indian Gooseberry**– Antioxidant-rich; smooths, brightens, and slows visible ageing
- **Sunflower Oil** – Enhances moisture balance and provides antioxidant protection
- **Pomegranate Seed Oil** – Nourishes the skin without leaving it oily

EFFECT | Helps diminish pigment spots

BENEFITS | Evens out and brightens the skin

Application

Apply to clean, dry hands and massage gently until fully absorbed. Use morning and evening for best results. Reapply as needed throughout the day.
